Hoogeveen, 28 August 2013

To whom it concerns,

Since the start of 2012 we are working with the Gridins group.

Gridins delivers us Rope Access technicians who are experienced and understands what we need to fulfil our obligations. They are able to deliver the people we need.

In the past period we experienced that Gridins is a party on which you can rely, comes with solutions and stands for her business.

The employees from Grindins are professional, competent, hardworking and understands their job.

Grindins is a company which we can recommend you!

Kind regards,

G.J. Ekkel
