INSTRUCTION CONCERNING THE WORKING TOOLS

Jonics has the contract with the supply site Screwfix (www.screwfix.com). The site has in total around 300 shops within UK.

Our tasks:

1. Inform new and already working personnel that broken or not properly working tools should be brought back to the closest shop (information about the shops location you can find on the internet). The personnel could not loose any peace of equipment. Inform the shop manager that all the actions are done on the name of JONICS UK.

2. Phil will prepare the instruction how to act in the case of failure of Van or Illuminous tools and these instructions additional provide for the all personnel.
