Letter of recommendation

To whom it May Concern

Gridin's Group Company is being our partner in the sphere of various steel constructions for a year. They manufactured and erected 2pcs. stainless steel waste water accumulation tanks (2pcs) according to the drawings, terms and conditions. During this time, Gridin's Group has shown its ability to fulfil estimated tasks with an absolute responsibility and high quality. The ultimate features of Gridin's Group work are high professionalism, good organization of company's staff and strong team spirit.

We recommend Gridin's Group Company as a reliable and stabile business partner.

Sincerely,

Dmitry Romanets
Director BU Ignalina Projects
